20) Any additional positive comments about the school?	Any areas for development that you would like to share?
<ul style="list-style-type: none"> • My child seems very happy and enjoys coming to school. He talks highly of his TA and teacher, but loves them all. • Lots of IT based apps to help learning. This helps engage my child who is not always willing and open to learning. • Fantastic nurturing attitude. My children feel cared for, particularly our son who doesn't always find learning easy. His teachers recognise his anxiety and let him shine through their targeted support. 	<ul style="list-style-type: none"> • School dinner menu could be changed more often, but I appreciate this is probably out of your control.
