## 7. Enrichment

The end of Term 4 finished with the M&M production of Alice in Wonderland, Easter Egg Hunt and the usual Easter Bonnet Parade and Traditional Egg Rolling Competition! Year R continued with their visits to the Forest School during the last 2 terms of the year. St George's Day was celebrated and the whole school was a sea of red and white. Sports Week was a massive success (further details below). Our annual Talent Show was a massive success at the end of Term 4. Year 6 have been visiting the Cyclo Park as a regular feature of their PE curriculum as well as attending Safety in Action at Cobham Hall this term. School Road Safety assemblies were experienced by all children. Maths Problem solving workshops that had been postponed during Maths week were rescheduled and very much enjoyed by the children. Our KS2 choir were truly amazing at the choral festival in Gravesend this term and our KS2 summer production in the new facilities at Meopham Secondary were spine tingling as usual! In assemblies, we welcomed a parent, Mrs Hinksman, who spoke about her role as a life coach as

well as Commonwealth athlete Georgia May Fenton, a cousin of a pupil, visited Cobham and inspired us through her personal journey to success! Year 1 and the local residents of Cobham College have loved their reading time together each week too and the residents have attended many school events, such as the Talent Show, Royal Wedding afternoon Tea and the KS2 production! The Royal Wedding Afternoon Tea was a rather special and magical event and the children and family loved it! The scones and cakes were a real highlight! Funky Hair Day was also a great success - some amazing creations! Dress up like a dad day gave us a few giggles too! A wonderful violin concert for the parents to witness their children's progress this term was a success! The KS2 production in Meopham's new school hall was wonderful - real proud head teacher moment once again! Year 4 at Swattenden for their residential were an absolute joy! Disco and Leaver's assembly to come too!

A massive thank you to the many coaches, parents and teachers who have led after school clubs this year. The children have had an excellent opportunity this year with many new and much loved clubs being part of our enrichment curriculum. Thank you especially to Mrs Styles who has helped me to ensure that all these clubs have been well organised and went ahead!

## 8. Engagement with Parents

Many parents have supported the whole range of school trips and events. Our Stay and Play sessions in Year R, which have been extended across the whole school this year have been delightful, with both children and parents having appreciated the opportunity to share the children's learning.

Mrs Dengate has continued to provide a fortnightly newsletter for our Reception Parents this year and this has been extended in to Year 1 and Year 2, who are now receiving regular updates about the children's learning in order to enlist their support and engagement. These have been very well received. The use of the SEESAW app has been a fantastic tool to communicate with parents this year and it has allowed families to see the variety and high standards of teaching and learning that the children experience on a weekly basis.

Information Meetings for Starting School in September 2018, Transition to Secondary September 2018, Relationship and Sex Education for Year have all been led and well attended. Information sessions about the Year 4 and Year 6 residential trips were also a useful time for parents to air any concerns and have them allayed.

## 12. BUILDINGS & GROUNDS

We have a new contract with a gardening company Richard Abel Landscapes **who** have begun to undertake the work around the school. A building walk was led by Roy Tyler, Rob Wemyss and Steve Dyer and we are aiming to secure quotes for replacement windows in the school house as well as some areas of redecoration.

## 14. Pupil Premium Funding

This funding continues to be spent on an array of resources, both human and practical. We continue to buy into Speech and Language support through the GLP and this means monthly visits from an expert who not only assesses the children but gives excellent advice on how we can cater for their specific needs. We have also used some of the funding to support families with the costs of school trips and residentials. Mrs Heap effectively tracks the children's progress in this area. We are also using this money to provide school meals for free, attendance at after school paid clubs for free, to provide free milk each day, to provide the funding for a child to attend an outside school club that otherwise he/she would not attend. We continue to use Mrs Cresswell, in her invaluable role as a counsellor to support children across the school, who may need some time to talk. We also some of the funding towards the support work that SEAAS undertake in raising the attendance of some of our most vulnerable children. The money is well used to support, nurture and ensure these children's engagement, well-being, happiness and progress.

## 15. Sports Premium Funding

We continue to spend the additional funding (plus more) in a variety of ways. The children have received the benefit of the school offering a wider range of sporting opportunities & after school clubs at a subsidised rate. We in fact have spent more than our allocation as this area of the school curriculum and school life is of the utmost importance to us and the children. We really are finding a 'sport for all.' Our relationship with Premier Sports are guaranteeing expert curriculum teaching alongside a wide range of extended school provision opportunities plus those that teachers and parents are also providing. The children are very lucky!

Sports and Health Week was a massive success as the whole school came together on a number of occasions. A Wake Up and Shake Up Activity started each day which the children loved followed by our Walk a Mile Day - less loved by all! Our walk and play in Jeskyns was also a great day. 218 children playing together co-operatively, fairly and with a huge awareness of each other! Sports Day was a massive success with Lennox winning the cup, followed by our Giant Family Picnic! Our 5 a day activities were used throughout the week and the grand finale was 2 GB athletes (Rion Pierre & Robert Sakala ) visiting Cobham on the last day of Sports Week to once again promote a love of sport and the benefits of being healthy.

At the end of Term 4, our netball team took part in Cobham Hall's netball tournament! Both teams did us proud! In term 6, our Kwik Cricket team made it through to the quarter finals but lost at this point!

## 16. Bullying and Racist Incidents - Terms 5 and 6

There was 1 incident of racial abuse.

## 17. Exclusions

None

## 18. Safeguarding

There are 2 open cases all of whom are receiving either Early Help Support or Young Carers support. 1 of these is a child with SEN. There have been 8 safeguarding forms received since May 18.

## 19. Supervision

All team members have been met with this term to discuss training needs, to evaluate training undertaken this year, performance management targets and how they have been achieved as well as safeguarding procedures and protocols.

## 20. PTA

A huge undertaking by the PTA to raise £10,000 to support the purchase of the final 2 whiteboards in Class 1 and 4 was achieved after their supreme efforts at Munchies on the Meadows. They also joined us at our Royal Wedding afternoon tea and raised the remainder needed. The boards have been bought and installed and the children have said 'Thank you.' Plans are afoot for gymnasium outdoor equipment for next years' fundraising efforts!
