

COBHAM PRIMARY SCHOOL

Caring, Proud, Successful!

Cobham Primary School's Behaviour Principles

COBHAM Primary School COBHAM Primary School

Caring Proud Successful

TRUST
Takes years to build,
seconds to break and
forever to repair.

THE POWER OF TRUTH

Tolerance:
Respect
Unity
Strength
Truth

Tolerance means...
appreciating and **RESPECTING**
differences in people.

Respect
GIVE IT
TO GET IT

These are the behaviours that we role model, as leaders of learning, that we teach to our children to use within the school and the wider community. We aim for the children to show tolerance for people, beliefs, cultures and actions that they may not understand and to show respect for others as well as themselves. We expect that everyone will know that working together will make us unified and give us strength in our opinions and actions, whilst always trying to be truthful and honest in every thought, action and deed. Our TRUST Weeks and Anti Bullying Weeks each year raise and teach all these issues. These are the behaviour principles that all stakeholders at Cobham hold true and act upon each and every day.
