## 7. Enrichment

Our annual Talent Show was a massive success at the end of Term 4. Sports Week was a massive success (further details below). Year 6 have been visiting the Cyclo Park as a regular feature of their PE curriculum as well as attending Safety in Action at Cobham Hall this term. Our KS2 choir were truly amazing at the choral festival in Gravesend this term and our KS2 summer production in the new facilities at Meopham Secondary were spine tingling as usual! Year 1 and the local residents of Cobham College have loved their reading time together each week too. Year 2 have been reading to some local residents from Cheshunt Care Home. Year3 have had Superhero Day, Egyptian Day and Escape Room Days! A wonderful violin concert for the parents to witness their children's progress this term was a success! Year 6 had a fab time at Kingswood and Year 4 at Swattenden for their residential were an absolute joy! Disco and Leaver's assembly to come too!

A massive thank you to the many coaches, parents and teachers who have led after school clubs this year. The children have had an excellent opportunity this year with many new and much loved clubs being part of our enrichment curriculum. Thank you especially to Mrs Styles who has helped me to ensure that all these clubs have been well organised and went ahead!

## 8. Engagement with Parents

Many parents have supported the whole range of school trips and events. Our Stay and Play sessions which have been extended across the whole school this year have been delightful, with both children and parents having appreciated the opportunity to share the children's learning.

The use of the SEESAW app continues to be a fantastic tool to communicate with parents this year and it has allowed families to see the variety and high standards of teaching and learning that the children experience on a weekly basis.

Information Meeting for Starting School in September 2019, Transition to Secondary September 2019, Relationship and Sex Education for Year 6 have all been led and well attended. Information sessions about the Year 4 and Year 6 residential trips were also a useful time for parents to air any concerns and have them allayed.

## 12. BUILDINGS & GROUNDS

A building walk was led by Roy Tyler, Rob Wemyss and Steve Dyer and we are aiming to update windows in the school house as well as some areas of redecoration over the summer. A fire risk assessment was completed by KCC in June and the report has been shared with Governors and necessary actions are being taken.

## 14. Pupil Premium Funding

This funding continues to be spent on an array of resources, both human and practical. We continue to buy into Speech and Language support through the GLP and this means monthly visits from an expert who not only assesses the children but gives excellent advice on how we can cater for their specific needs. We have also used some of the funding to support families with the costs of school trips and residentials. We effectively tracks the children's progress in this area. We are also using this money to provide school meals for free, attendance at after school paid clubs for free, to provide free milk each day, to provide the funding for a child to attend an outside school club that otherwise he/she would not attend. We continue to use Mrs Cresswell, in her invaluable role as a counsellor to support children across the school, who may need some time to talk. We also some of the funding towards the support work that SEAAS undertake in raising the attendance of some of our most vulnerable children. Holiday Camp this summer will also allow these children to have a free invite! The money is well used to support, nurture and ensure these children's engagement, well-being, happiness and progress.

## 15. Sports Premium Funding

We continue to spend the additional funding (plus more) in a variety of ways. The children have received the benefit of the school offering a wider range of sporting opportunities & after school clubs at a subsidised rate. We in fact have spent more than our allocation as this area of the school curriculum and school life is of the utmost importance to us and the children. We really are finding a 'sport for all.' Our relationship with Premier

Sports are guaranteeing expert curriculum teaching alongside a wide range of extended school provision opportunities plus those that teachers and parents are also providing. The children are very lucky!

Sports and Health Week was a massive success as the whole school came together on a number of occasions. A Wake Up and Shake Up Activity started each day which the children loved followed by our Walk a Mile Day - less loved by all! Sports Day was a massive success with Brooke winning the cup, followed by our Giant Family Picnic! Our 5 a day activities were used throughout the week and the grand finale was 2 GB athletes **Claire Bennett and Hannah Beharry** visiting Cobham on the last day of Sports Week to once again promote a love of sport and the benefits of being healthy.

At the end of Term 4, our netball team took part in Cobham Hall's netball tournament! In term 5, we hosted our very own our Kwik Cricket team before we competed at Gravesham's tournament. We have attended Dodgeball and 4 square Ace competitions too this term.

## 16. Bullying and Racist Incidents - Terms 5 and 6

2 Bullying Incidents - both dealt with and children being observed carefully. All parents were met with and are regularly contacted to discuss children's behaviour.

## 17. Exclusions

None

## 18. Safeguarding

Since the start of September 2018 15 green safeguarding forms have been written.

## 19. Supervision

All team members have been met with this term to discuss training needs, to evaluate training undertaken this year, performance management targets and how they have been achieved as well as safeguarding procedures and protocols.

## 20. PTA

A huge undertaking by the PTA to raise £10,000 to support the purchase of an outdoor multi gym was achieved after their supreme efforts at Munchies on the Meadows, Cobham Hall Valentine Ball, Lottery, Mother's Day sale and Father's Day sale and whole host of other events throughout the year has raised in excess of this amount.
