## Pupil Premium Funding 2020-2021

(Allocation £25,175)

(PP FSM £13450 + Post LAC £11725)

This funding allowed us to support our PP children in a variety of ways including both their academic progress, as well as their physical and mental well being. The biggest impact without doubt has been the priority marking opportunities for our children alongside, the daily reading and additional adult support where needed.

At the end of last year July 21 our PP children attainment figures were:

Year	Reading%			Writing%			Maths%			Combined
	Em	Exp	Exc	Em	Exp	Exc	Em	Exp	Exc	
R	100	0	0	100	0	0	100	0	0	0%
2	67	0	33	67	33	0	67	33	0	33%
3	33	67	0	67	33	0	33	67	0	33%
4	33	67	0	67	33	0	100	0	0	33%
5	0	100	0	0	100	0	0	100	0	100%
6	50	50	0	50	50	0	50	50	0	50%

#### Points Progress

Year	Reading			Writing			Maths			6+ points progress
	<3	6points	>6	<3	6points	>6	<3	6points	>6	
2	33%	67%	0%	33%	67%	0%	33%	67%	0%	67%
3	33%	67%	0%	33%	67%	0%	33%	67%	0%	67%
4	33%	67%	0%	33%	67%	0%	33%	67%	0%	67%
5	0%	0%	100%	0%	0%	100%	0%	0%	100%	100%
6	0%	100%	0%	0%	100%	0%	0%	100%	0%	100%

So although 41% of our PP children achieved expected levels. 75% made expected levels+ progress during the course of the interrupted year.

Covid Catch Up Clubs in Terms 5 and 6 during the year of 20-21 targetted 6 of the PP children and the rest are scheduled to participate in Terms 3 and 4 of the academic year 2021-22.
