## Pupil Premium Information Report

### A summary report for 2021-2022

#### Context:

Schools receive a payment, or Pupil Premium, for disadvantaged children who are eligible for Free School Meals or have been eligible for Free School Meals within the last six years (FSM Ever 6). This payment currently stands at £1345 per pupil. Children who are looked after, or children from service personnel, are also allocated additional funding as part of Pupil Premium, but at present we do not have any children who meet this criteria. In addition Pupil Premium (Plus) funding is available to any child who has been in the care of the Local Authority or adopted from care. An annual payment of £2,345 per pupil is paid to the school for any eligible children who attend.

In 2020 - 2021, £29,210 in total was allocated to Cobham Primary School for our disadvantaged pupils. This is based on 8.25% (18 children) of our pupils considered to be eligible for FSM & Ever 6 or Pupil Premium Plus. This is well below the National average. In 2021-2022 £27,865 was allocated based on 7.8% (17 children) of our pupils considered to be eligible for FSM & Ever 6 or Pupil Premium Plus, still below the national average of 22.5%.

DfE Guidance states:

***Schools, head teachers and teachers will decide how to use the Pupil Premium allocation, as they are best placed to assess what additional provision should be made for individual pupils.***

Thus all parents can be assured that as with all budget allocations to the school, decisions about provision and spending will be made with the best interests of all children's wellbeing, with progress in learning at its core. Meetings to discuss pupil premium allocation include: pupil progress meetings 4 x annually (class teachers, Head Teacher and SENCO); Senior Leadership Team meetings; Governing Body meetings, where spending of the Pupil Premium and the achievement of all pupils and (vulnerable) groups of pupils in learning, including our disadvantaged children.

## **Principles of Provision:**

- At Cobham Primary School, we organise teaching and learning in order to best meet the diverse needs of all our children.
- We arrange appropriate provision for children from vulnerable groups and those who may be disadvantaged, to ensure that their needs are accurately assessed and met.
- We recognise not all children who receive free school meals will be disadvantaged and not all children who are disadvantaged have free school meals.
- We aim to include pupil and parent voice, along with our own needs analysis during pupil progress meetings to decide how Pupil Premium funding could be spent for each child.
- It may be the case that not all children receiving free school meals will receive interventions and supporting strategies funded by Pupil Premium at any one time.

## **Provision 2021 -2022:**

Pupil premium funding, in addition to the main school budget, has helped support our disadvantaged children in the following areas -
