

COBHAM PRIMARY SCHOOL

Caring, Proud, Successful!

Curriculum Aims

The **aims** of our curriculum are to ensure that **every** child in our school is entitled to the very **best learning experience** during their time at Cobham Primary School. We ensure that all children are provided with **engaging, learning experiences** that lead to excellent progress, high achievement and develop the children into **lifelong enthusiastic learners**.

We will ensure that all pupils will achieve their full potential and gain the skills and knowledge necessary to become **successful citizens in the future**.

Our school's curriculum is deeply rooted in the solid consensus of our school leaders, teaching team and governors' belief that it is a **curriculum based on knowledge, skills, vocabulary and concepts** which pupils will need in order to take advantage of opportunities, responsibilities and experiences open to them later in life.

In this way, **it powerfully addresses social disadvantage** and offers all children the chance to develop high order skills, deep and cemented knowledge, as well as great confidence and self-belief in their own abilities. The curriculum ensures that all children's **aspirations are high** and that all children will go on to make a **positive contribution** to the local and global community that they will live in.
